Join us in our ambitious efforts to make the Creek Road Soccer Complex a *Field of Dreams* for Hyde Park!

Business Sponsors

Fence Signs:

\$250 - first year

\$100 - every year thereafter

These will be durable signs that will be hung all along the fence. Signs will be put up year after year for those businesses that opt to renew their sponsorship.

Web Sponsors:

\$50 per year per ad

Our History

Hyde Park Soccer League started in the late 1970s with a handful of teams and coaches looking for a way to allow kids to start playing organized soccer games before they went to high school. Over the years, the league has grown and come to offer the opportunity to play soccer to many kids of all ages.

We now organize games for over 500 kids ages 5 to 50. We accommodate those who are looking for a friendly casual game and those who are very serious about the sport and looking for tough competition.

As enrollment in the league grew, it became apparent that more fields would be needed. A small group of volunteers got together and after three years of fund raising and hard work, the beautiful Creek Road Soccer Complex was opened in September of 2000!
